

The Middle East’s

Sustainability Leaders

10. Qatar Navigation (Milaha)

Established: 1957

Headquarters: Qatar

President and CEO: Mohammed Abdulla Swidan

In June 2022, Milaha partnered with the Qatar Research, Development, and Innovation Council and Ooredoo to launch the second set of innovation calls for the Qatar Open Innovation program in an effort to develop its business operations and enhance its service offering in line with the Qatari government’s goals to provide secure and sustainable supply chains and build a diverse, knowledge-based economy.
